

National Night Out 2018, a successful engagement between the Police, Community and Businesses.

On Tuesday August 7, the Lehigh Township Police Department hosted its 2nd annual National Night Out Event. Building off last year's huge success we, at your police department, strived to expand our outreach to our community members and businesses. This great event was created with a vision of getting neighbors out in force to take back their communities, learn valuable crime prevention tips and meet those who live around you.

Over the 35 years, this program has come to include other components to include area businesses, civic groups and other events to engage the community. This year, Lehigh Township displayed great spirit in getting out the message of crime prevention, adding to it a theme Provide, Prevent & Prevail! This theme was the cornerstone of programs to include a document shred event to aid in preventing identity theft and fraud, child ID kits to help protect our children in the unthinkable event of a missing child, bicycle registration, and a talk on stranger danger and walking safety for our children. We even incorporated a pet adoption event, food drive and information on wildlife and animals by both the Lehigh Valley Zoo & the Pennsylvania Game Commission. There were fun games, excellent food, and prizes for everyone. Raffle prizes and information was also provided by our Recreation Commission, Bethany Wesleyan Church, Cub Scout Pack 55, Quarter Midget Racing Club, Pennsylvania Board of Probation & Parole, VFW Walnutport, Lehigh Township Police Association, Lehigh Township Fire Department & Fire Police and Lehigh Township Athletic Association.

With all that the Lehigh Township Police Department was able to provide through the generous donations and sponsorships, we believe our community will Prevail in preventing and reducing crime in our community! Please remember our community sponsors. Without them this event would not be so successful.

M & T Automotive
Executive Auto Gallery
Woodstone Country Club
